

Tükrözött Természet

Figyeld meg a leveleket és rajzold meg a másik oldalukat.
Felismered melyik levél melyik fáról való?

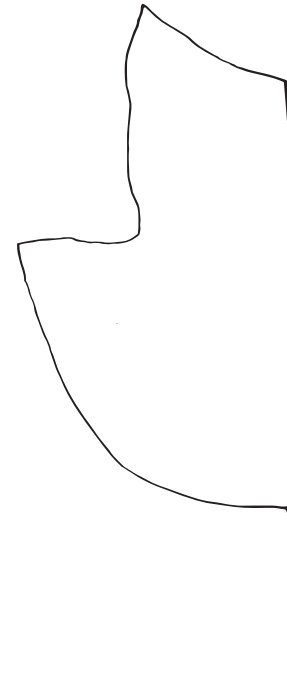

Tölgy

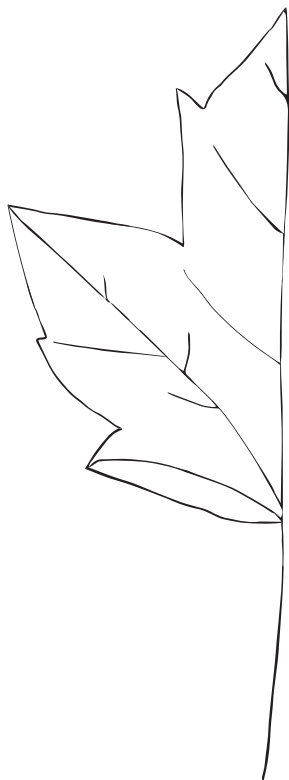

Hárs

Ginkgo biloba

Tulipánfa

Juhar

Nyír

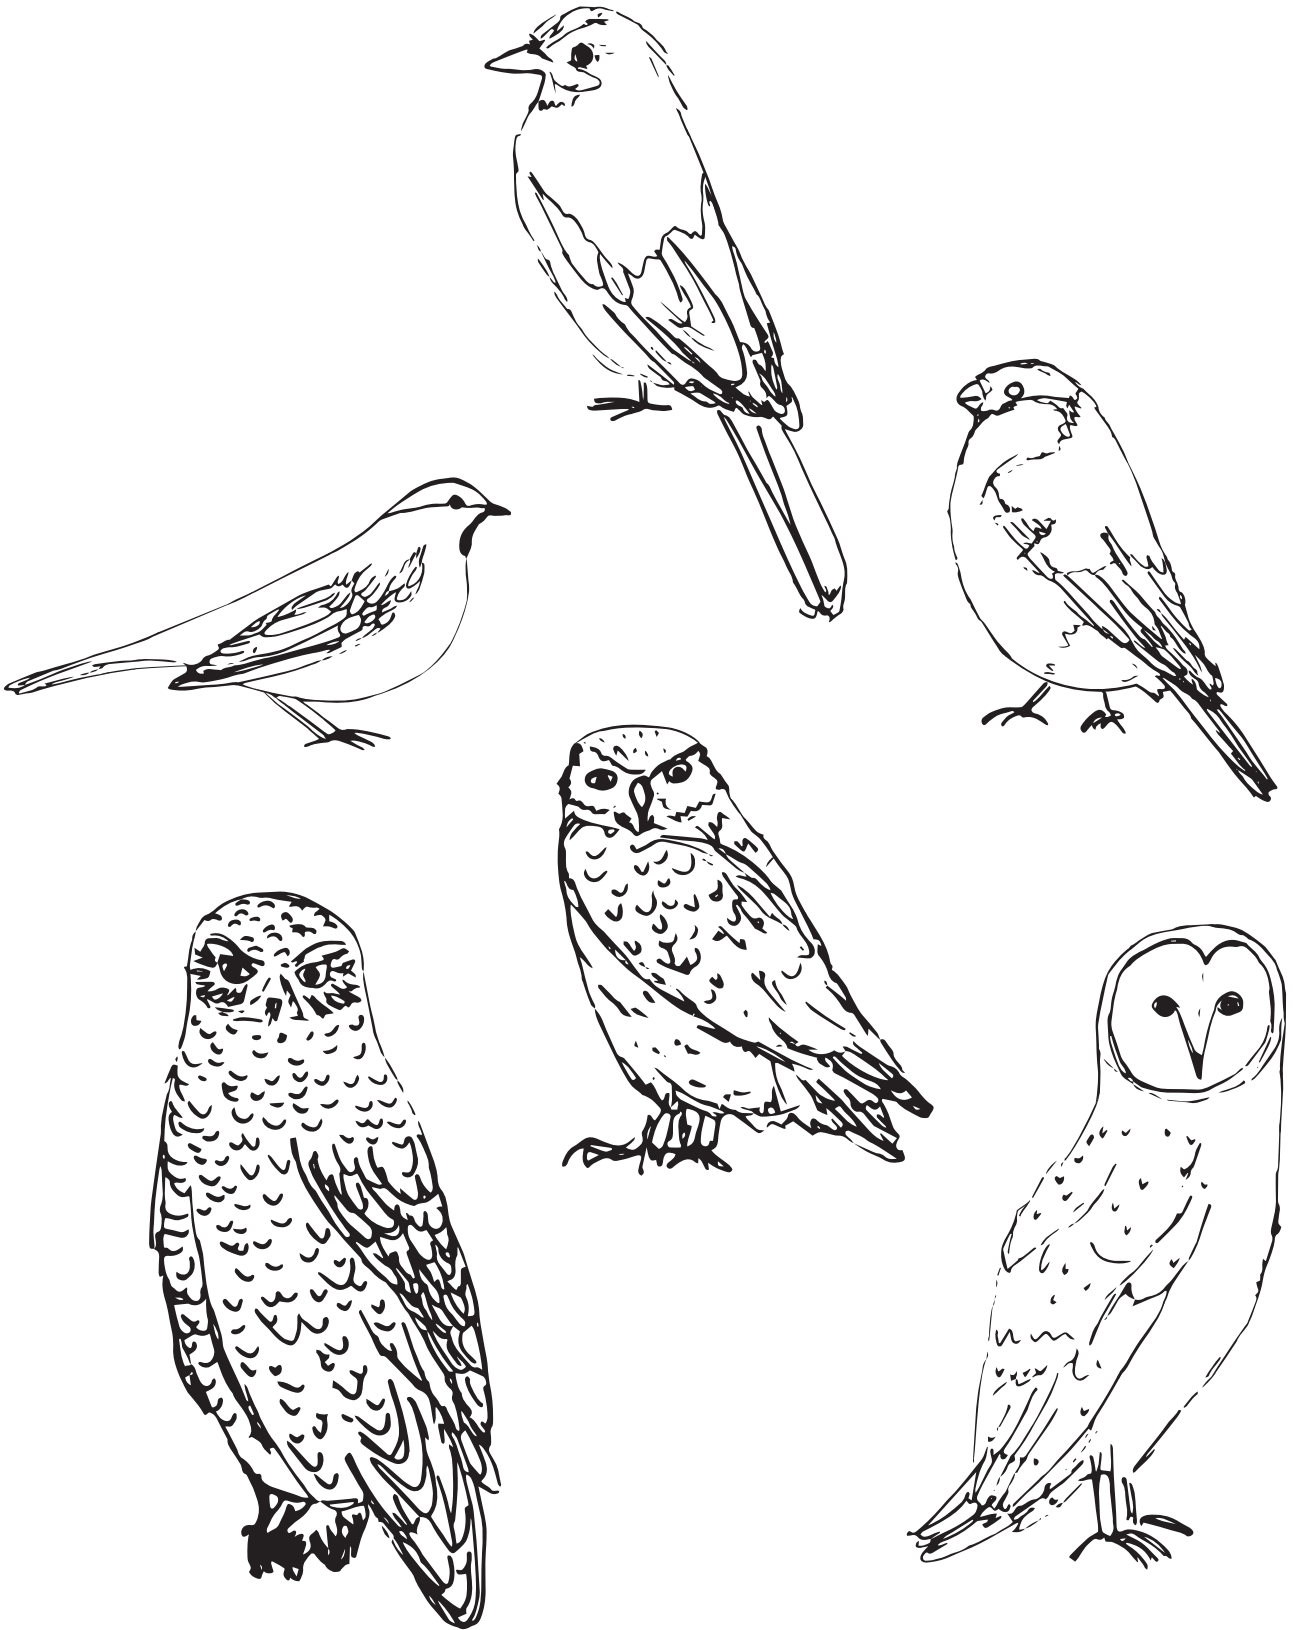

Borostyán

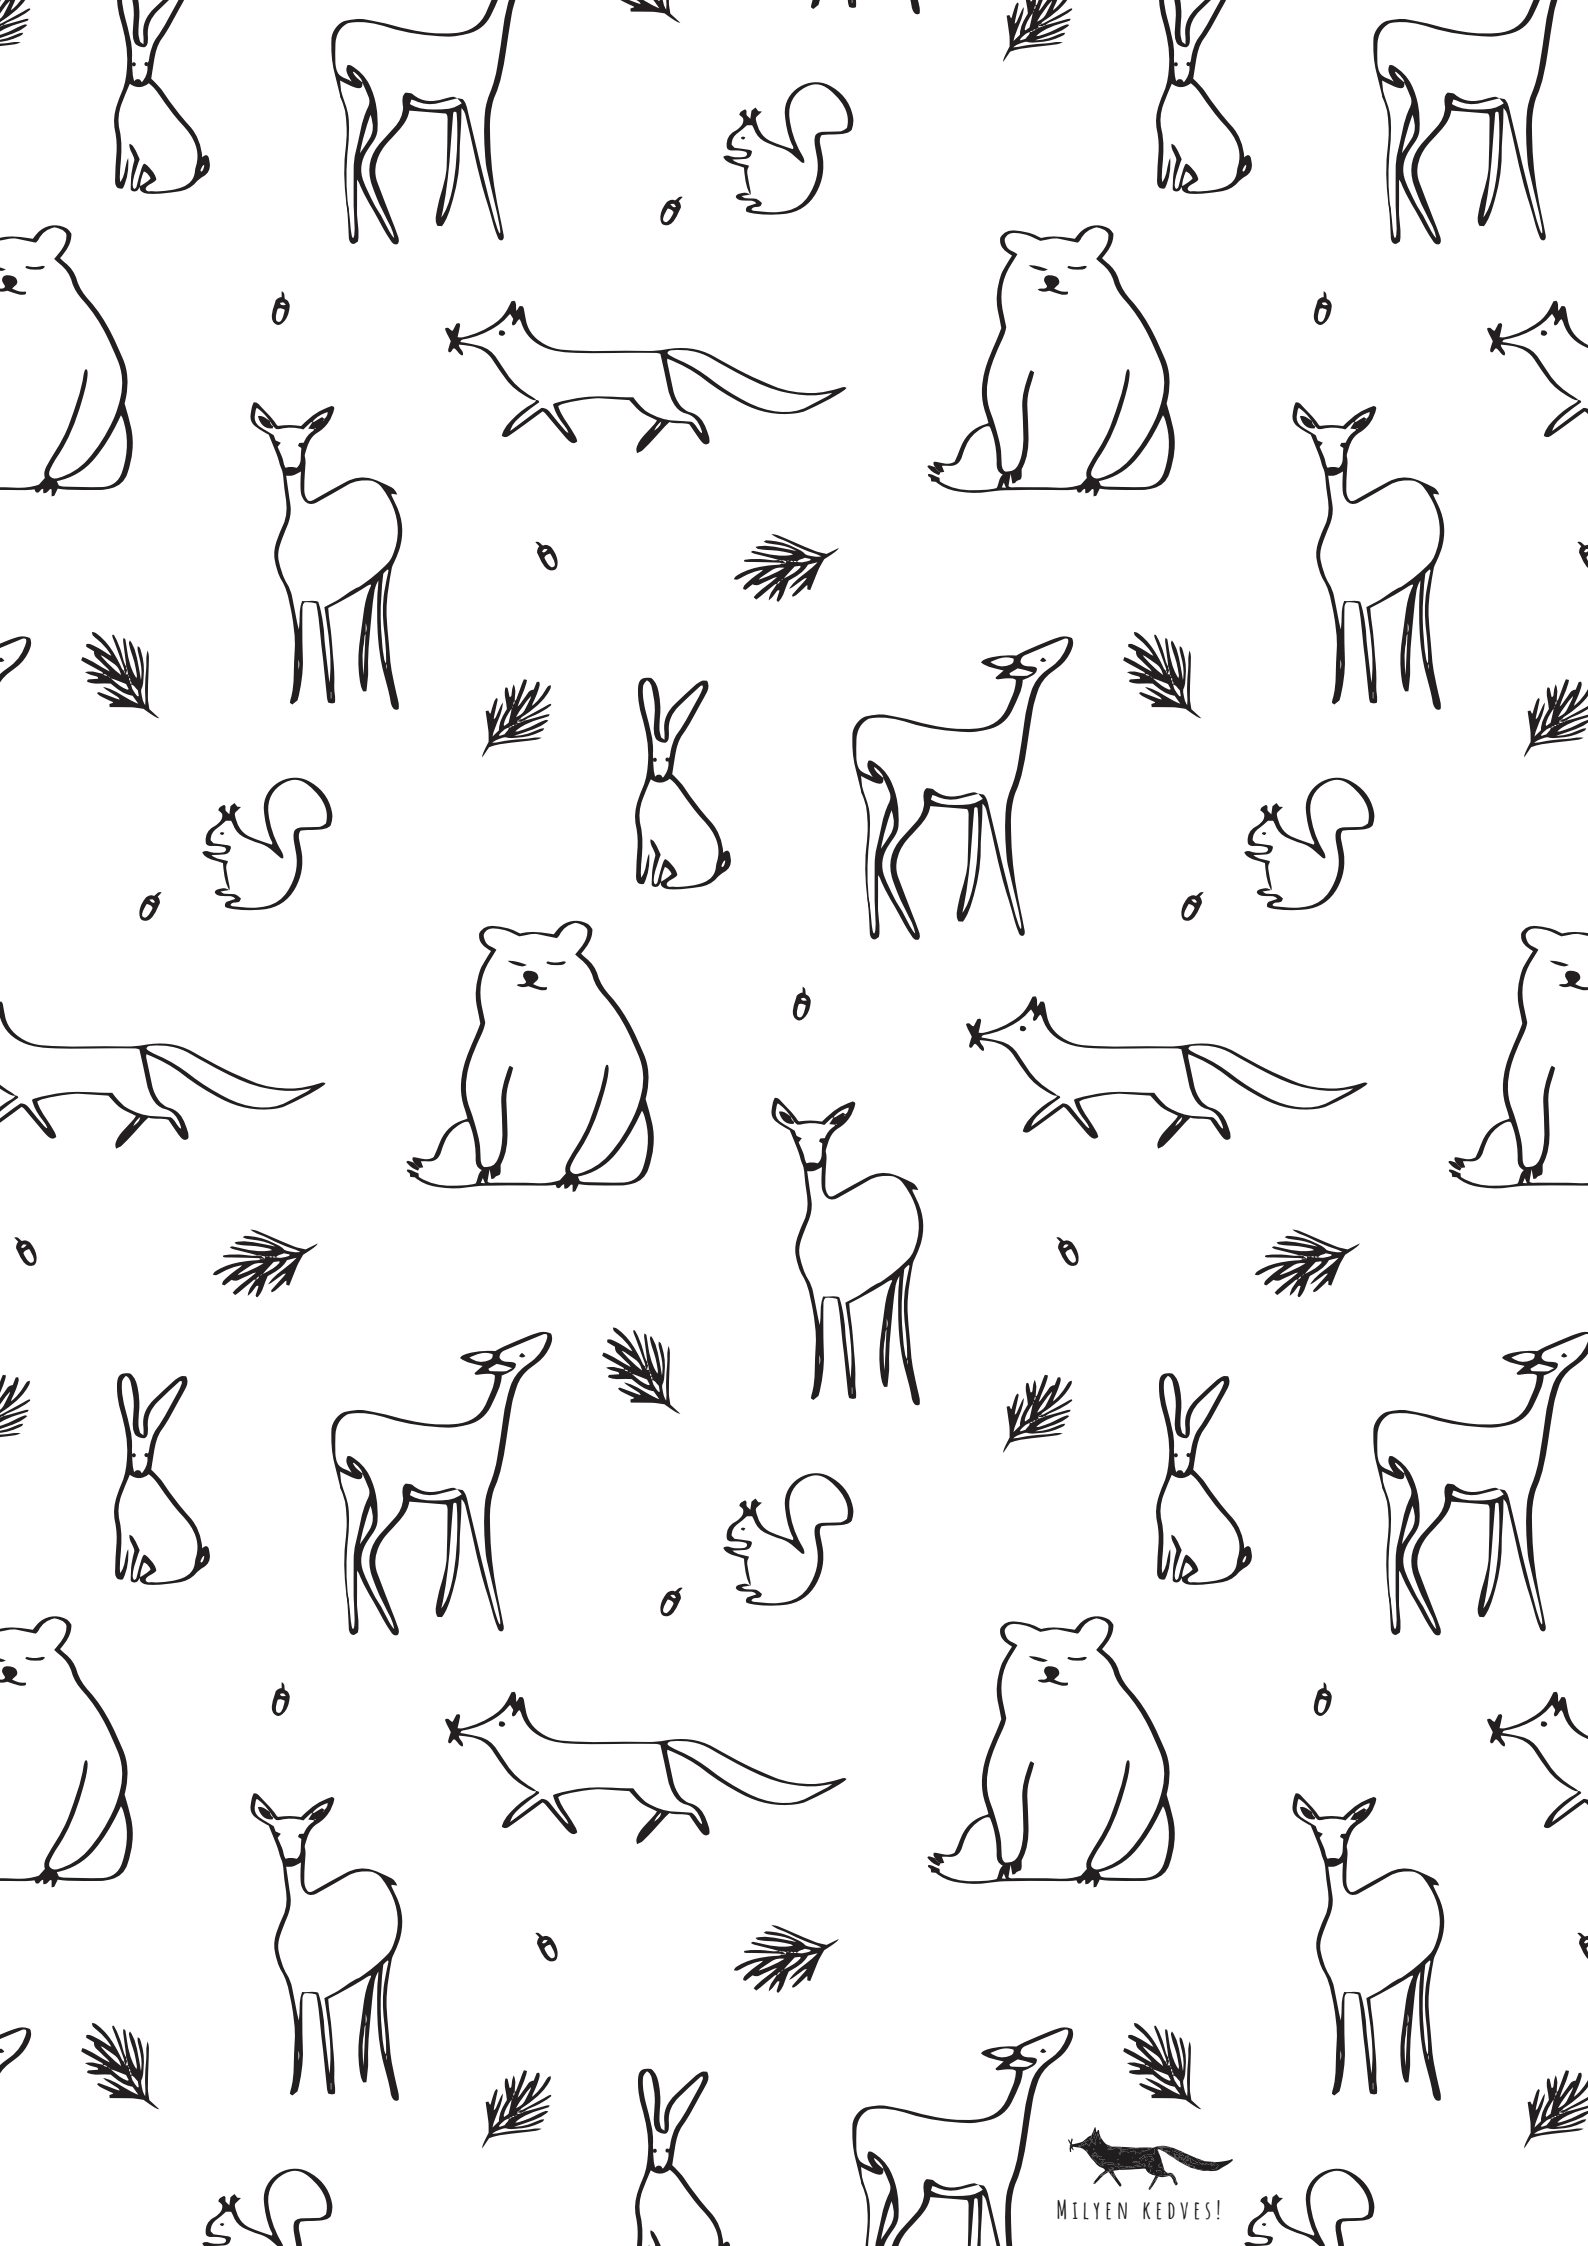

Fehér akác

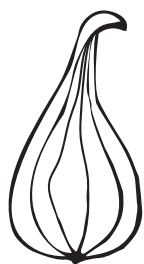

Színezd ki a madarakat!

MILYEN KEDVES!

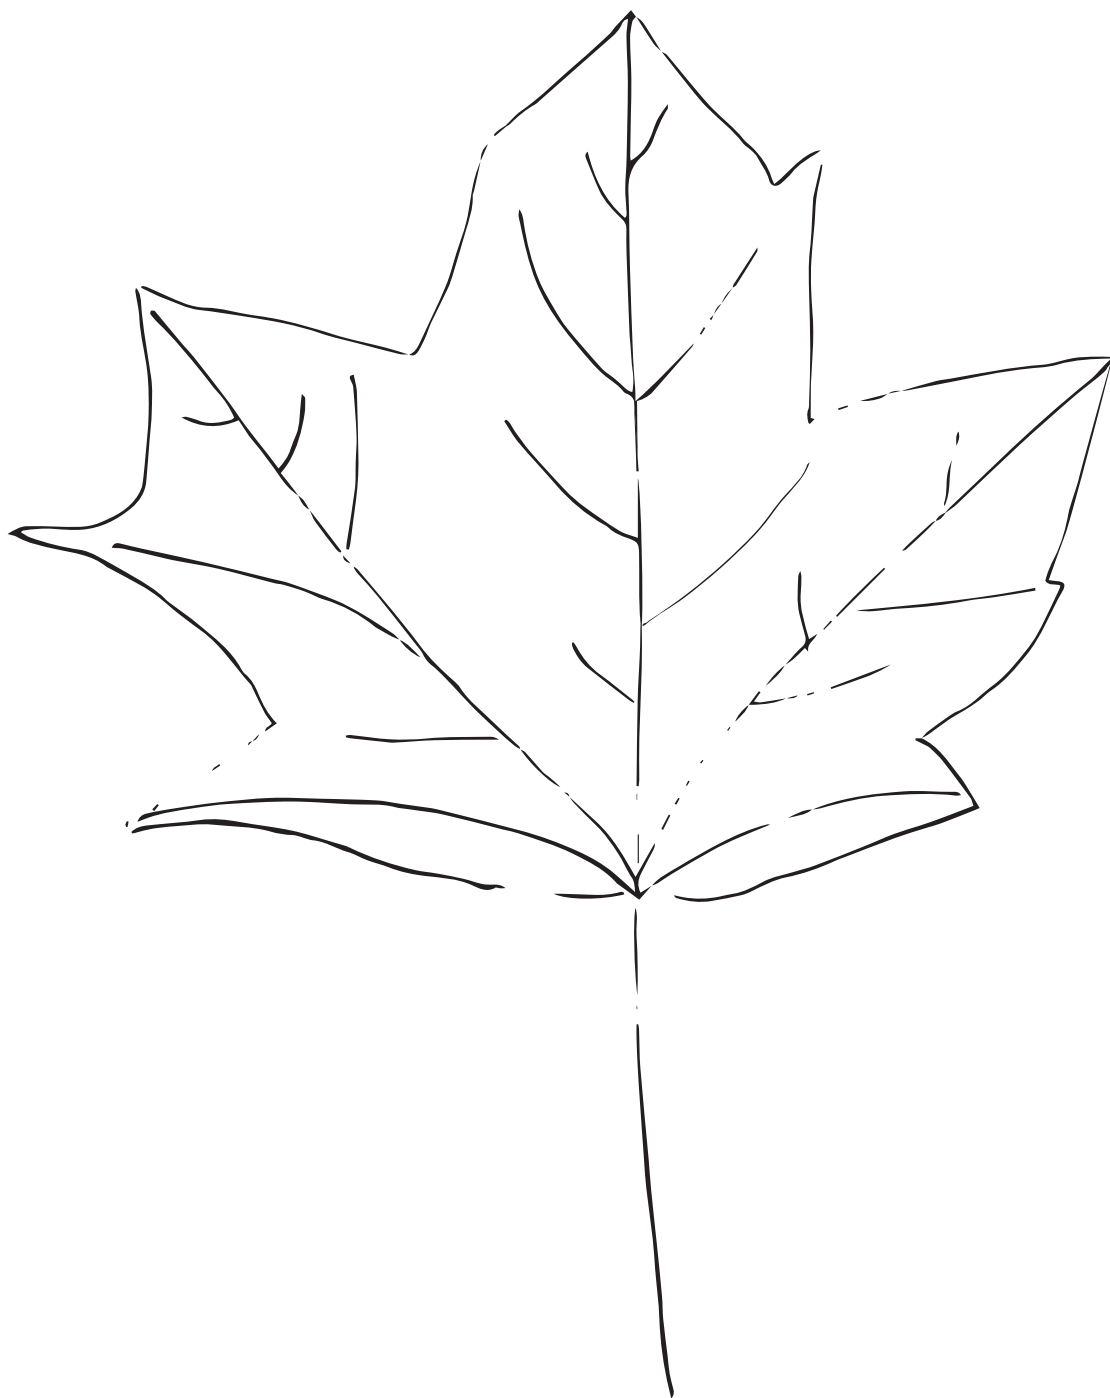

Kösd össze a párokat!

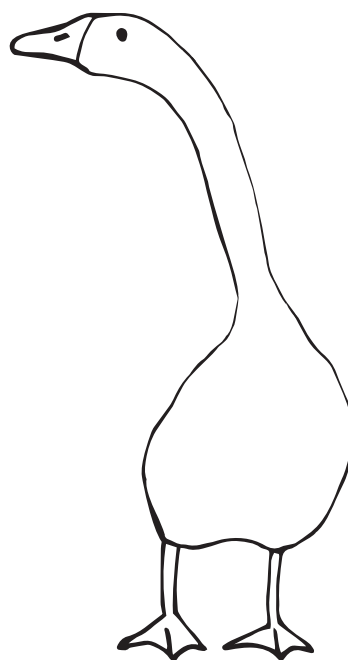

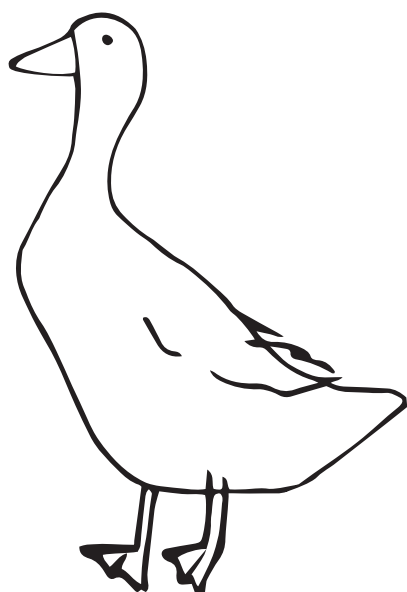

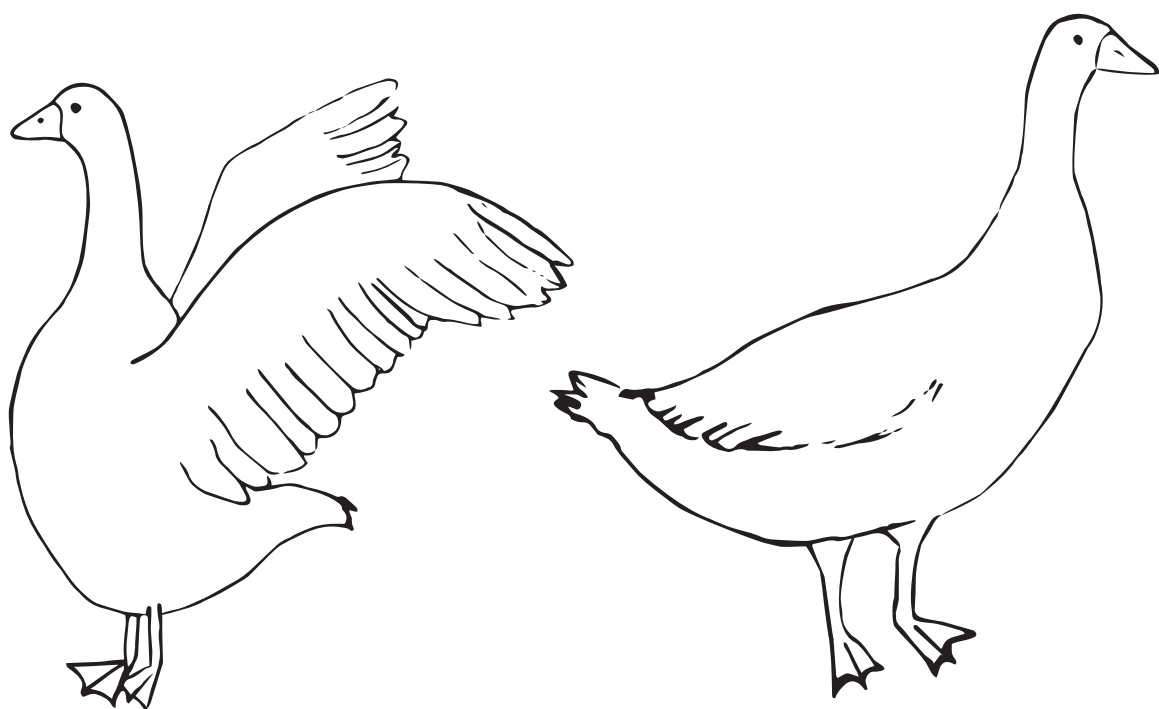

MILYEN KEDVES!

Színezd ki a levelet az őszi színeivel!

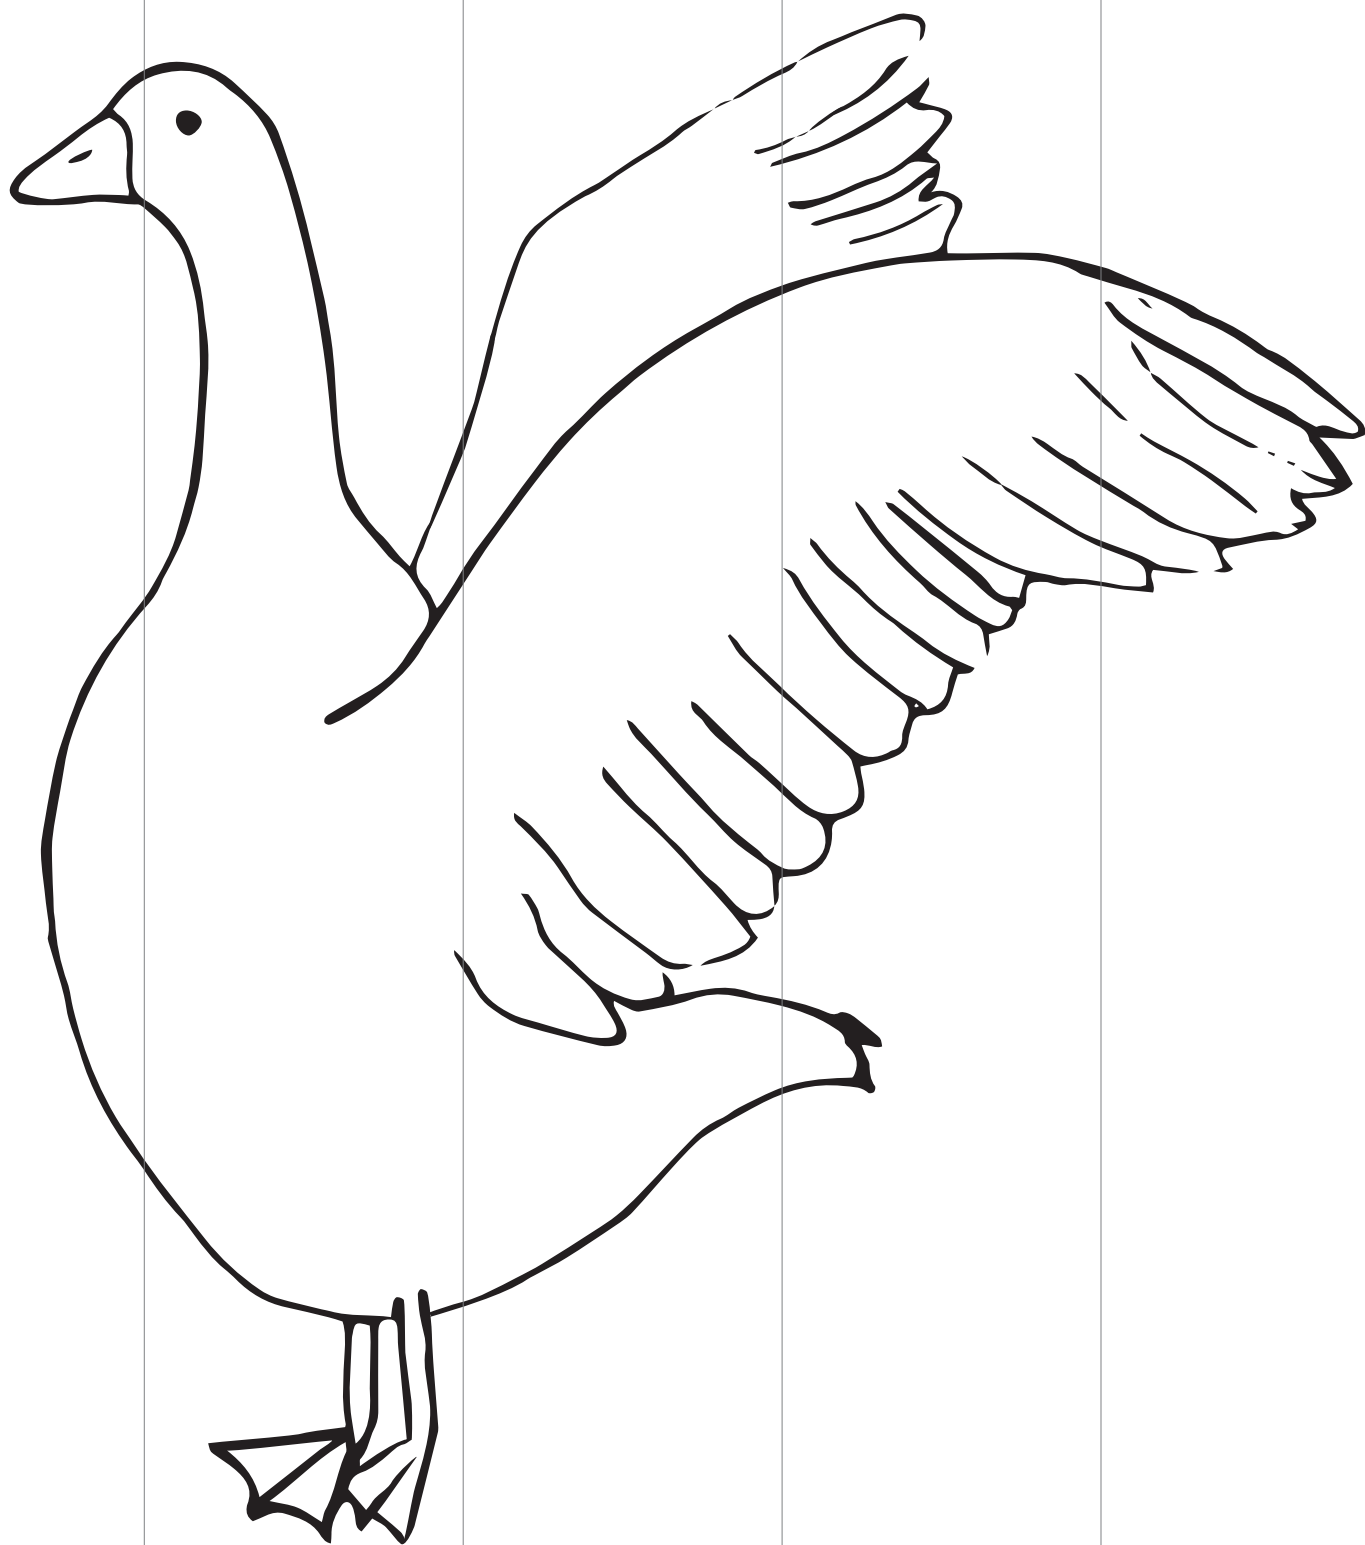

MILYEN KEDVES!

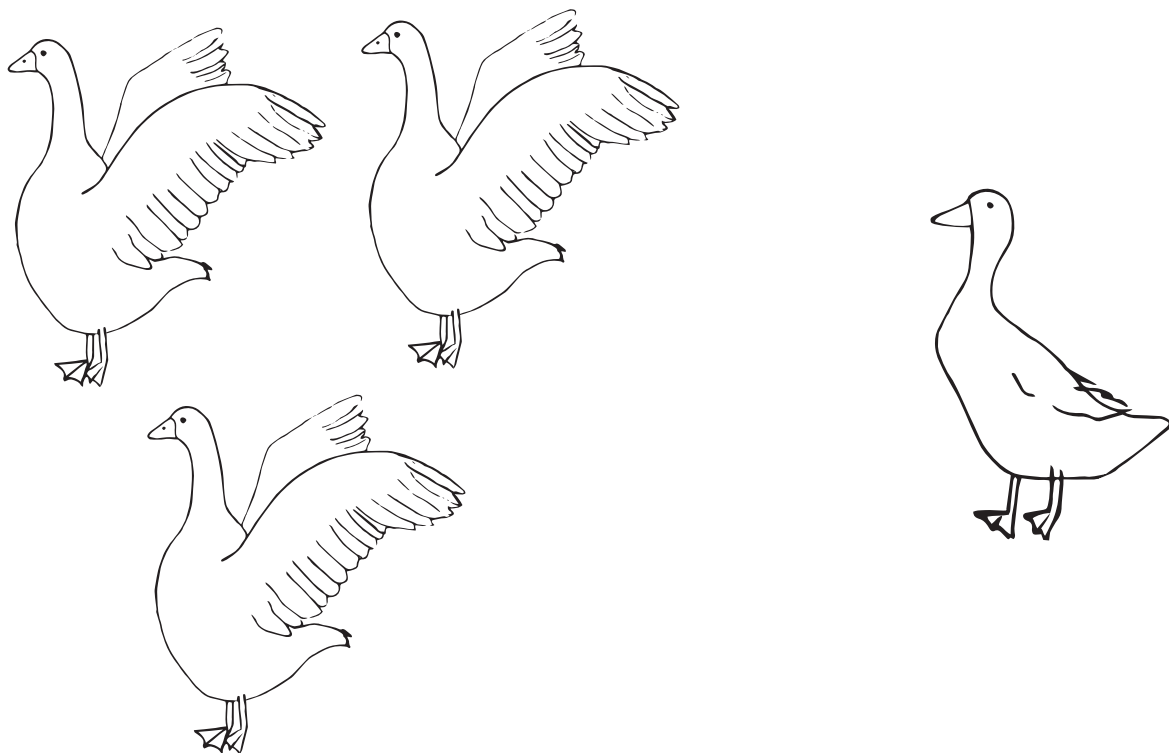

Libás színező!

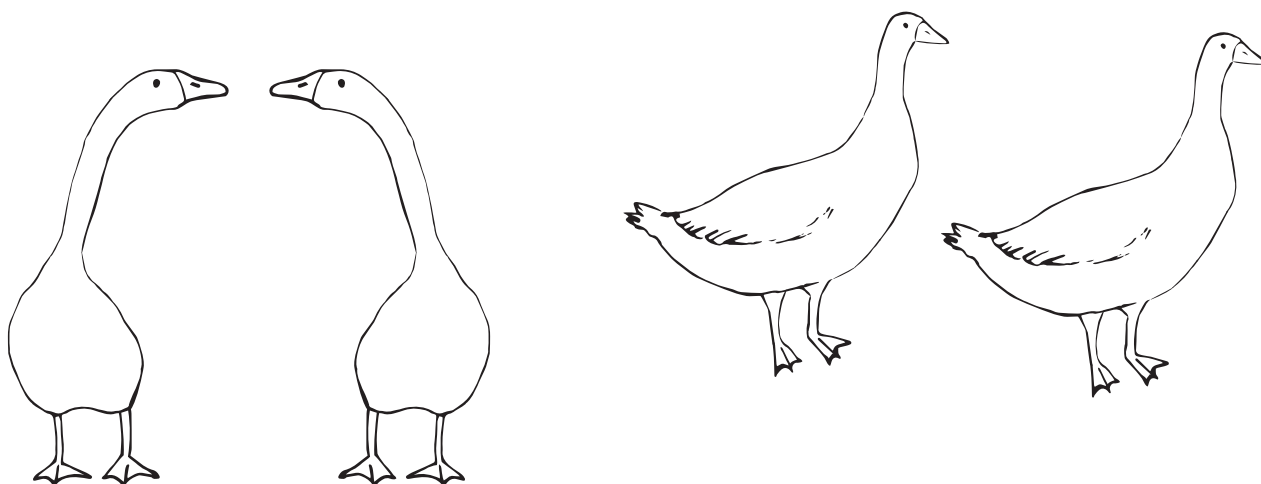

Vágjátok fel a lapot a csíkok mentén majd rakjátok össze a libát újra.

MILYEN KEDVES!

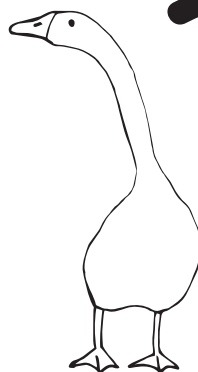

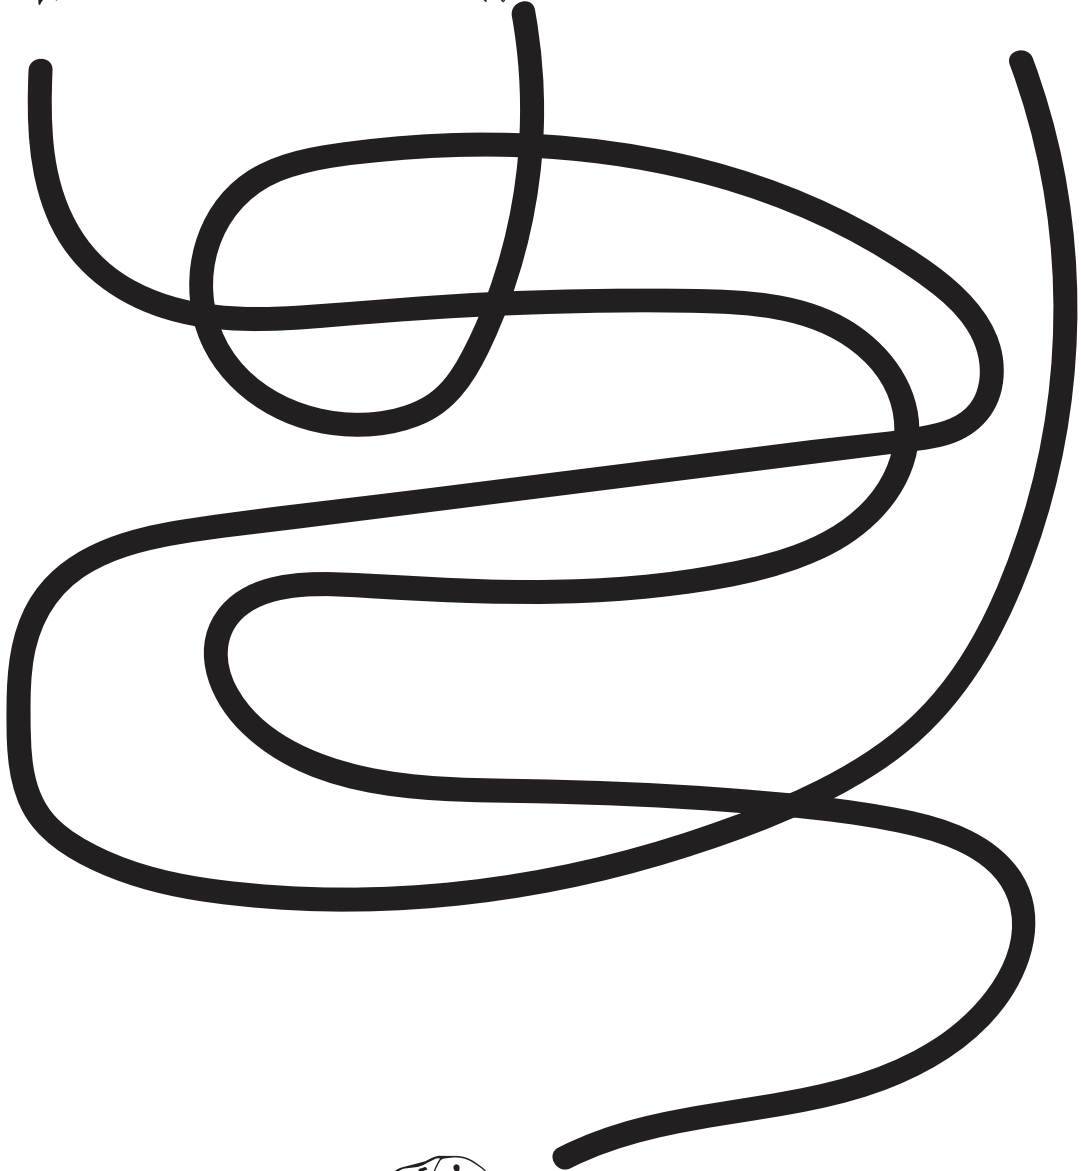

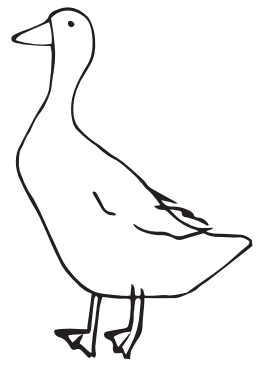

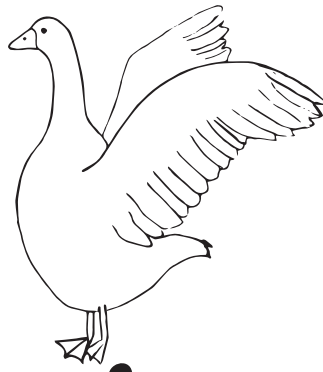

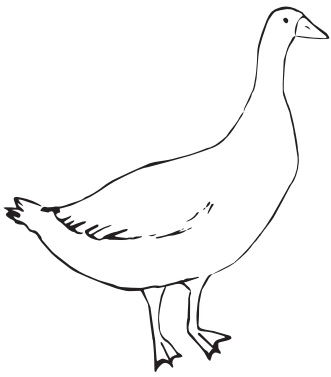

Kösd össze pontokat a megfelelő számú libával.

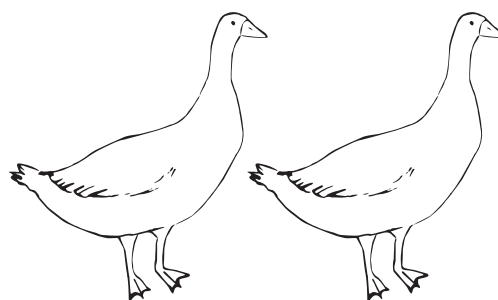

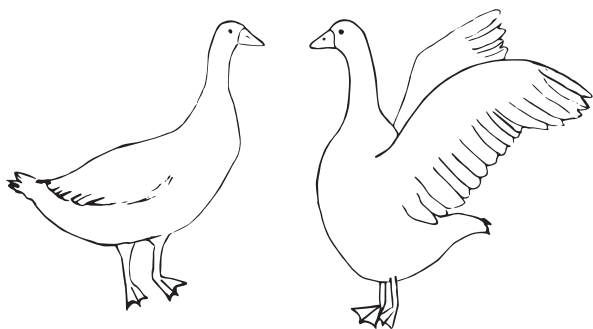

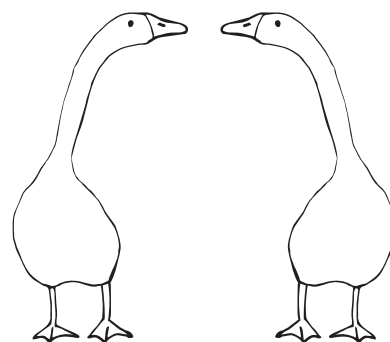

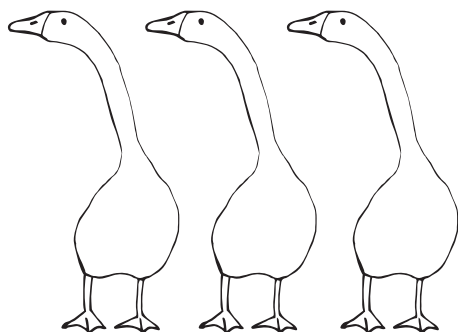

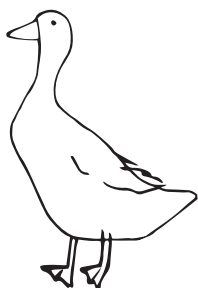

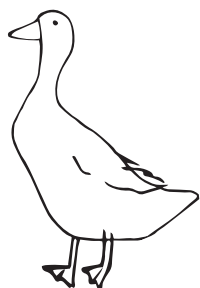

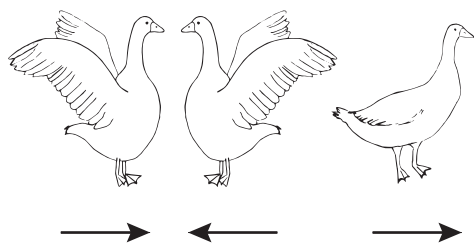

MILYEN KEDVES!

Melyik liba jut el a társához?

Liba irányok. Rajzolj nyilakat a libák alá, annak megfelelően, hogy merre néznek.

Péda:

MILYEN KEDVES!
